

KC PET PROJECT ♥

DOG FOSTER INFORMATION

Thank you for fostering a dog for KC Pet Project! We want to thank you for helping us save lives during this critical time. Here is some helpful contact information for you while you're fostering with KC Pet Project.

Join our KC Pet Project Foster group on Facebook! This group is for KCPP foster families and you can share your pet in your home, ask questions, and communicate with other foster families. Be sure to post your pet on Foster Fridays!

FOSTERING DO'S

Make sure your foster dog has a well-fitted collar and ID tag on at all times

Keep your foster dog on a leash or in a securely fenced area when outside

Understand that dogs may experience stress and anxiety in new/unfamiliar situations: allow time for adjustment; give them a break if they seem stressed

Provide plenty of exercise and mental stimulation for your foster dog

Use treats to teach your foster dog basic obedience cues such as sit, down, come, stay, etc.

Report any medical or behavioral concerns to KCPP staff immediately

Promote your foster dog for adoption. Take lots of photos and/or video and share on social media using the hashtag #kcpetproject and tag us!

FOSTERING DO NOT'S

Let your dog off leash at any time outside of the house or fenced yard

Go to a dog park

Allow your foster dog to "greet" other dogs while on a leash

Leave your foster dog outside unattended or loose in your home without supervision

Please use KC Pet Project leash and collar provided at all times

Encourage unwanted behavior such as jumping on people

Allow children to interact with your foster dog without direct supervision

Give your foster dog away - all adoptions must be processed by a KC Pet Project adoptions counselor*

"The COVID-19 pandemic is an unprecedented event and shelters like ours must act urgently to place as many pets in foster homes as possible. Foster care is the only thing that can get us through this crisis and after it's over, we hope that more homeless pets than ever before will go into foster care. We thank you for fostering a dog or cat during this time and for being as an important part of our lifesaving team."

– Teresa Johnson, CEO/President of KC Pet Project
