

KANSAS CITY CAMPUS FOR ANIMAL CARE NAMING OPPORTUNITIES

For the first time in Kansas City's history, there will be a new animal shelter built for its pets. You have the unique opportunity to be a lifesaving investor and to have your support be honored on this innovative campus for these pets and all of the families who will be impacted each year. Over 25,000 visitors per year will come to the adoption center looking for a new pet, utilizing campus services, or enjoying activities located here. All of the opportunities listed are permanent investments and a one-time gift or five-year pledge.

EXTERIOR OPPORTUNITIES

ADOPTION CENTER

\$3,000,000

Over 30,000 visitors per year will come to the adoption center looking for their lost pet. Prominent signage on the front of the Kansas City Campus for Animal Care and signage throughout to be included. Website and social media mentions for the life of this shelter. This investment will support the care of over 10,000 pets who will hope to find new families through KC Pet Project every year.

VETERINARY CARE CENTER

\$1,500,000

The state of the art Veterinary Care Center will provide care to over 10,000 shelter pets every year. Additionally, low-cost public veterinary services will be provided to thousands of additional pets. Signage on the front of the Veterinary Care Center and throughout the clinic to be included.

EDUCATION PAVILION

\$1,000,000

Our campus will feature an Education Pavilion where a number of activities will take place on a daily basis. This multi-use space will feature training classes for new pet parents, education opportunities for children and adults to learn about pet safety and humane treatment of animals, birthday parties, volunteer orientations and classes, special event rental, board meetings and so much more. Naming on the front of the building featured for this investment.

OUTDOOR PLAZA/WALKING PATH/POND

\$1,000,000

Near the Adoption Center entrance, there will be a lovely outdoor plaza area for seating for the coffee shop, volunteers, adopters and more. This includes a main walking path down to the on-site pond with signage included throughout.

ANIMAL SERVICES/ADMISSIONS/LOST & FOUND

\$750,000

With more than 10,000 pets that come to KC Pet Project each year, thousands of visitors come to the shelter to utilize our animal services including stray animal drop-off, Animal Field Service inquires, people looking for lost pets, and owner relinquishments. Signage on the outside of the building included and throughout Animal Services department.

SWOPE PARK EVENT DECK

\$750,000

An event deck located just off of the Education Pavilion and the Adoption Center, this will overlook the beautiful setting of Swope Park and will be used for many functions, including after-hours events.

WALKING PATHS

\$750,000

Volunteers and staff will walk all of the dogs of KC Pet Project on walking paths located behind the campus. There will be multiple paths with miles of trails with cute signage throughout recognizing our donor and opportunities for training with our pets.

PLAY YARD PLAZA

\$500,000

Every available dog gets to have play time every day at KC Pet Project as part of their Canine Playgroup Program. This is how the shelter learns about a pet's behavior and their play style to make appropriate matches with new families. These play yards will also be utilized by thousands of potential adopters meeting new pets. Signage included through play yard plaza.

CATIO

\$250,000

Outdoor catio spaces will be located on the front of the adoption center that will give our cats outdoor time for enrichment. Signage will be included on the exterior of the catio space.

OUTDOOR BUILDING

\$100,000

Out building behind the shelter where adoptable farm animals will be housed including chickens, goats, pigs, ducks, and so many more. Signage including on the front of the building and throughout.
