This event is sponsored by Constellation Brands.

ABOUT OUR SPONSORS

Nelson's Green Brier Tennessee Whiskey

Nelson's Green Brier Tennessee Whiskey is a remarkable family recipe resurrected from the founding day in 1860 with the first bottling since 1909. Andy & Charlie Nelson launched Nelson Brothers Whiskey with a single ambition: introducing the 21st Century to a whiskey that honors the exacting standards for their great-great-great grandfather, Charles Nelson. Painstakingly filtered through a mellowing bed of sugar maple charcoal and aged in new charred oak barrels, it's easy to taste why Charles Nelson's wheated mash bill recipe and meticulous process set the standard by which all future Tennessee Whiskeys are judged.

WHY WE'RE DOING THIS

This is an event to benefit the pets of KC Pet Project.

KC Pet Project is a 501c3 nonprofit organization that operates the Kansas City Campus for Animal Care – Kansas City, Missouri's animal shelter – as well as pet adoption centers in the Zona Rosa shopping center and Petco in Overland Park, KS. They care for more than 14,000 animals a year and are a national leader in the animal welfare industry. Through their Keep 'Em Together Program, Animal Services Division, Pet Support Center, lifesaving programs and services, and 14 locations to adopt in the metro area, KC Pet Project is passionate about building a caring, safe, and humane community for the people and pets of Kansas City and the surrounding region.

Donations from Whiskey for Whiskers will support the 14,000 pets that will come to the shelter this year. To give directly toward this cause, go to [Donate.KCPetProject.org/WhiskeyforWhiskers](https://www.KCPetProject.org/WhiskeyforWhiskers).
